

Democracy and Civic Education Resources

Democracy and Civic Education Resources were co-developed with the American Bar Association and contain information on the history and development of the Constitution, its applications in today's world, and analysis of important U.S. Supreme Court cases. The package includes *Civic Participation Activities Guide*, *Constitution Study Guide*, *U.S. Supreme Court Case Studies*, and *Answer Keys*.

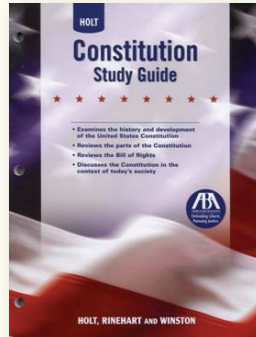

Civics, Government, and Economics Resources

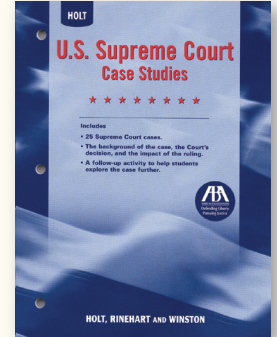

You don't have to look any further for readings, constitutional activities, and participation activities—we've got them here for you. These great resources will help enrich and expand your Civics, Government, or Economics curriculum.

Civic Participation Activities Guide contains thirteen activities geared toward promoting student civic values, community involvement, and participation through service projects.

Constitution Study Guide is a full-color workbook that contains information on the history and development of the Constitution, and its applications in today's world. A fully annotated Constitution is included.

U.S. Supreme Court Case Studies provides an analysis of twenty-five important U.S. Supreme Court cases. Each case study includes a discussion of its importance, the background, the Court's decision, and the impact of the ruling.
