Avant d'explorer

A. You work for the travel magazine Voyages! based in Paris. Your current assignment is to visit Les Baux-de-Provence and write an article about your experiences there. First, you need to make a hotel reservation in Arles, where you'll be staying, and then find out where you might eat while there. You'd also like to visit a couple of small towns besides Arles and Les Baux. Think of a keyword in French for each piece of information you need to search on the Internet, and write your keywords below.
