4

¡Adelante con los estudios!

Level 2

Antes de navegar

A. Imagine you're a Mexican student in a preparatory school. You want to go to college and it's time to start planning! What might help you choose the college that will be best for you? Choose the response in each of the following categories that most closely matches what you're looking for.

- | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. Localidad geográfica:</p> <ul style="list-style-type: none"> a. en una ciudad grande b. cerca de una playa c. en una ciudad pequeña | <p>3. Actividades extracurriculares:</p> <ul style="list-style-type: none"> a. Te interesan los eventos culturales y artísticos. b. Te gustaría participar en un grupo musical. c. Quieres participar en los deportes intercampus. |
| <p>2. Número de estudiantes:</p> <ul style="list-style-type: none"> a. pocos b. regular c. muchos | <p>4. De importancia:</p> <ul style="list-style-type: none"> a. Hay muchos computadores para estudiantes. b. Hay una cafetería. c. Hay una biblioteca grande. |

¡En línea!

B. Use the suggested Web sites or others to choose two schools that fit the criteria you came up with in Activity A. Find information about the two schools and complete the chart below.

Nombre de universidad o instituto		
Localidad		
Número de estudiantes		
Actividades o cosas de interés		

C. Based on the information above, choose the school you would most like to attend. Explain why you think you've made a good choice by completing the sentences below.

1. Creo que la ciudad _____
_____.

2. Me parece que el campus _____
_____.

3. Para mí la actividad estudiantil más divertida es _____
_____.

4. Es importante reunirme con mis amigos en _____
_____.

Write the names and URLs of the sites you used to complete Activities B and C.	Name: _____
	URL: _____
	Name: _____
	URL: _____
	Name: _____
	URL: _____

D. Now that you've chosen a school you'd like to attend, write an e-mail in Spanish to a friend asking for his or her opinion about your decision. Ask your friend if he or she is familiar with the location or the campus. Suggest making plans to go together to visit the college you're interested in.
